LUCIO DIODATI

“I colori della seduzione”

The painting is a vertical composition featuring four stylized human figures. The figures have elongated, almost featureless faces with large, expressive eyes. Their bodies are composed of bold, geometric shapes in a rich palette of orange, yellow, red, and blue. The background is a solid, light blue. The overall style is reminiscent of mid-20th-century abstract art, with a focus on color and form over realistic representation.
